Total round trip miles taken from Google Maps.

Round trip miles rounded to the nearest mile

Mileage fee calculated to the nearest dollar

Travel hours rounded to the nearest quarter hour (.25 = one quarter hour; .50 = one half hour)

Hourly travel fee calculated to the nearest dollar

NAC 489.380 sub section 2 states "For each inspection or reinspection conducted more than 25 miles from the inspector's station of duty, the Division will charge, in addition to the fee listed, the inspector's actual expenses for time and travel". (The total trip miles equals the total round trip miles minus 25 miles X 2 and total round trip hours minus .30 minutes X 2).

If a location more than 25 miles from the Elko duty station is not listed above, round trip mileage minus 25 X 2, and round trip travel time hours minus 30 minutes X 2 will be calculated based on Google Maps mileage and estimated travel time hours from 540 Court St, Elko NV to destination X 2, rounded to the nearest mile and quarter hour.
